## British Motoring Festival 2022

There will be a British Motoring Festival at Kings-Edgehill School in Windsor this year, but it will be a simpler version than we normally hold. We've decided to make it just a one day event on Saturday July 16, i.e. there will be no reception on Friday evening, no breakfast on Saturday morning, no banquet on Saturday evening, no pub breakfast on Sunday morning and no dorm rooms available.

Although restrictions have eased in all Atlantic province we decided to go "simple" this year. If there is a resurgence of Covid cases the effort we would have invested to make the BMF would have to be undone, commitments we may have made would have to be reversed, etc.

We have also decided to make it a "private" event i.e. no general public attendance. Attendees are restricted to Members of the British Automobile Touring Association of Nova Scotia and Cape Breton British Car Clubs.

Lunch will be available for purchase from a local vendor on the Kings-Edgehill School grounds.

We hope to have a well attended event, there's certainly an appetite within BATANS members after 2 years of few events. New Brunswick, PEI and Cape Breton will also still want to participate.

We hear that bookings in the Windsor area are filling up due to general vacation and wedding plans, plus there's a regular season CFL game in Wolfville on the same day. If you are thinking of staying locally we suggest bookings are made sooner rather than later.

The opening date for registrations is May 15th.
