

TRIUMPH GT6 PARTS: rear hatch door and glass, together with a GT6 gearbox for anyone trying to make a whole GT6 out of bits. I would take \$150 for the pair, and I have loads of other stuff for many LBCs that someone may need. Contact **Bernard Smith** with your needs at smithbg@ns.sympatico.ca

1971 to 1973 MKIV or 1500 SPITFIRE PARTS: Gently used stainless steel muffler. A touch dusty and some surface marks but otherwise solid. No rattling or loose bits inside. Don't know the history as was in a bunch of bits I acquired. New at Moss \$150. How does \$40 sound? Located in Saint John. Ralphholyoke@gmail.com or 506-647-7436.

NEW TR6 EXHAUST PIPES: I have the 4 exhaust pipes & the header pipe (the bit that bolts onto the manifold) in mild steel, no muffler. Today's MOSS price for these 5 pieces is about \$410CDN including freight & taxes; available here in Waverley for only \$299CDN. **Gerry Hull 902-221-2882.**

WHITWORTH SOCKETS: in the following sizes; 3/16BSW, 3/8BSW(2) 7/16BSW 1/2BSW, all Snap-On all 1/2" drive. To my eyes, these are all wrong: 12point, 1/2" drive made in USA, not UK. If you can overlook all that, at least they're cheap! \$2.50ea, or 5 for \$10.00. **Errol Pierce 902-499-7386,** hfxtoolman@icloud.com
