MGA, AUSTIN HEALEY SPRITE, MG MIDGET & MINI PARTS

After 26 Years I will be moving and downsizing my collection of projects never completed, and parts. Prices will be very reasonable as it is not about money this time just about available space.

The following items are for sale at this time. All parts are at my home in New Glasgow, PEI and I will take as many pictures as you wish to show true condition.

Contact Bob Bentley:
rbentley@pei.sympatico.ca text 902-314-2587

I plan to advertise elsewhere so if you are interested contact me

Austin Healey Sprite & early MG cars.

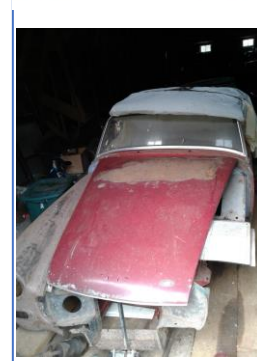

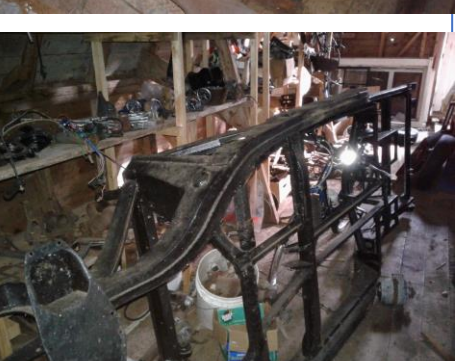

I have an incomplete project... parts... (eye) and the Mini... body parts... (grille, several ribbed case and... (missions))

Probably not a restorable project so I will sell off parts all for very reasonable amounts and then send

MGA coupe project and parts. I have an MGA coupe project that was never finished (I finished one.) There is a frame with... plus another... project will include 4 good... (ink lid, engine bonnet and doors... have been nicely re-skinned with aluminum), 2 x 1500 MGA engine... transmission, several rear... differentials, coupe... as unavailable... that... at \$409

I will go as a package deal at \$25... we pass through winter I will be willing to sell pieces if necessary.

Mini Parts
I have discovered that I have two Classic Mini front windshields in good shape at \$60 each and 4 rear Mini windscreens at \$30 each. A must have for the Mini owner!
